(Describe in your own words, how watching channel 63 has affected  
your life.) Channel 63, like other christian broadcasting stations,  
has helped me in my daily christian work by providing the inspiration  
that I need. Channel 63 has provided me with vital information unique  
to the christian community and the issues we need to be aware of.  
On channel 63, I receive information on newly proposed legislation,  
unpublished information and other pieces of information that I use in  
my day to day experiences.

With all of the secular broadcasting services, I think it ironic  
that we, <sup>christians,</sup> have to petition and write statements of support to  
have a grant renewed. I believe there are more than enough  
testimonials reported daily that far exceed any questions you might  
have reference the renewal of my grant. Finally, my family  
supports channel 63 financially? with our prayers.
